Freddie For A Day – Five Fun Ways To Get Involved!

September 5th is gearing up to be a fantastic event as this year we're looking to push the Freddie For A Day fun to a whole new level of appeal and exposure. However, we're realistic and know life is busy and that it might not be practical for all of you to wear a leotard or leather hot pants to work! So we've devised five different, simple ways of getting involved either on your own, as a group or through your place of work.

Option 1 - Somebody To Love

Simply donate to the Mercury Phoenix Trust on September 5th 2013.

Option 2 - Ready Freddie!

Buy or make a Freddie moustache and wear it on September 5th.

Option 3 - The Works

Dress as Freddie For A Day and get sponsored. Make your own costume or buy one and then get your friends and family to sponsor you as you go about your daily business as Freddie Mercury.

Option 4 - Good Company

Get your work place involved and buy a whole box of Freddie moustaches for the office. Simply hand them out to your colleagues in exchange for a donation!

Option 5 - Don't Stop Me Now

Channel the immortal spirit of Freddie Mercury and do your own thing. Take part in, create or arrange any ingenious or fun idea that raises money for the Mercury Phoenix Trust on September 5th, Freddie For A Day.
